AUDITORS' REPORT.

We have examined the ledgers showing the accounts with the various depositors in the Savings Bank of South Australia, and have also examined the entries in the general ledger, and compared them with the vouchers produced before us, and we certify that the above is a correct abstract of the accounts for the twelve months ending June 30th, 1896. We have also counted the cash and inspected the Government bonds, mortgage deeds, and other securities held by the bank, and find that they confirm the above statement of accounts. We have also compared all the depositors' passbooks exhibited to us, as stated below, with the ledger accounts, and hereby certify them correct. We have also checked the interest calculations on 945 accounts.

N.B.—The reason of so few discharges of bills of sale, &c., being registered is mainly owing to the difficulty of proving the certificate of satisfaction as required by the Act (No. 8 of 5th Vic.), viz., the acknowledgment by the mortgagee of his signature to the certificate of satisfaction or proof of execution by said mortgagee by one of two witnesses upon affidavit before the Registrar-General or his deputy. For this reason the greater portion are allowed to lapse.
